

Warranty

- All greenhouses sold by Solar Gem Greenhouses carry a limited lifetime warranty from date of purchase against defects in materials and workmanship. This includes any cracks not caused by abuse, softening and sagging from heat, and any darkening or discoloration of material that inhibits plant growth in the greenhouses.
- The hardware, such as automatic vent openers, door, hinges, nuts and bolts are warranted by their respective manufacturers.
- All warranty claims will be handled at no charge to the customer for parts or labor. The company reserves the right to decide if the greenhouse can be repaired or replaced. This warranty is non-transferable.
- Warranty claims should be addressed to:
